I'm a fortunate son of a fortunate son  
Living large on the wrong side of town  
Too many friends and the fun never ends  
Drinkin' and hangin' around

I wanna rule the world  
Wanna swallow it whole  
At least I could kick it all down  
I wanna kick it all down

Eyes wide open, I can't see  
Eyes wide open, what you mean?  
Eyes wide open, I can't seem to be

My eyes wide open, I can't see  
Eyes wide open, what you mean?  
Eyes wide open, I can't seem to be

I don't take the bus and I never walk too far  
The furthest I got was my own backyard  
With a fist full of cash that somebody else earned  
Sent me some more when it all got burned

I wanna take control  
Wanna make it all mine  
At least I could kick it all down  
I wanna kick it all down

Eyes wide open, I can't see  
Eyes wide open, what you mean?  
Eyes wide open, I can't seem to be

My eyes wide open, I can't see  
Eyes wide open, what you mean?  
Eyes wide open, I can't seem to be

You never ever know  
You never ever know  
You never ever know  
You never ever know

I'll get what I want if I make up my mind

I'm turnin' you inside out

I wanna rule the world  
Wanna swallow it whole  
I think I'll just kick it all down  
I wanna kick it all down

Eyes wide open, I can't see  
Eyes wide open, what you mean?  
Eyes wide open, I can't seem to be

My eyes wide open, I can't see  
Eyes wide open, what you mean?  
Eyes wide open, I can't seem to be

Eyes wide open, eyes wide open  
Eyes wide open  
Eyes wide open, eyes wide open  
Eyes wide open
