Do you know
Where you want to go?
I ain't got time for you now
Do you think, that I'll ever be?

'Cause all I ever wanted's
So far gone
And if I had my chance
I'd go along

You're making me fall down
I'm fallin' down again
I wish you could fall down
Can you catch me darling

Do you see
What you do to me?
You ain't got time for it now
Do you think, that I'll ever be?

'Cause all I ever wanted's
So far gone
And if I had my chance
I'd go along

You're making me fall down
I'm falling down again
I wish you could fall down
Can you catch me darling

'Cause all I ever wanted's
So far gone
And if I had my chance
I'd go along

You're making me fall down
I'm falling down again
I wish you could fall down
Can you catch me darling
