Do you know  
Where you want to go?  
I ain't got time for you now  
Do you think, that I'll ever be?

'Cause all I ever wanted's  
So far gone  
And if I had my chance  
I'd go along

You're making me fall down  
I'm fallin' down again  
I wish you could fall down  
Can you catch me darling

Do you see  
What you do to me?  
You ain't got time for it now  
Do you think, that I'll ever be?

'Cause all I ever wanted's  
So far gone  
And if I had my chance  
I'd go along

You're making me fall down  
I'm falling down again  
I wish you could fall down  
Can you catch me darling

'Cause all I ever wanted's  
So far gone  
And if I had my chance  
I'd go along

You're making me fall down  
I'm falling down again  
I wish you could fall down  
Can you catch me darling

Come home  
Come home

Come home  
Come home
