Oh, the storm is threatening  
My very life today.  
If I don't get some shelter  
Oh yeah, I'm gonna fade away

War, children, it's just a shot away  
It's just a shot away  
War, children, it's just a shot away  
It's just a shot away

See the fire sweepin'  
Our very streets today  
Burns like a red coal carpet  
Mad bull lost its way  
War, children, it's just a shot away  
It's just a shot away  
War, children, it's just a shot away  
It's just a shot away

Well, murder  
It's just a shot away  
Well, murder  
It's just a shot away

Brother, sister  
It's just a kiss away  
Well, murder  
It's just a kiss away, a kiss away, a kiss away
