You and I got something
But it's all then it's nothing to me
Yeah
I got my defenses
When it comes to your intentions for me
Yeah
And we wake up in the breakdown
Of the things we never thought we could be
Yeah

I'm not the one who broke you
I'm not the one you should fear
We've got to move you darling
I thought I lost you somewhere
But you were never really ever there at all

And I want to get free
Talk to me
I can feel you falling
And I wanted to be
All you need
Somehow here is gone

I have no solution
To the sound of this pollution in me
Yeah
And I was not the answer so forget you if ever thought
it was me
Yeah

I'm not the one who broke you
I'm not the one you should fear
We've got to move you darling
I thought I lost you somewhere
But you were never really ever there at all

And I want to get free
Talk to me
I can feel you falling
And I wanted to be
All you need
Somehow here is gone

And I don't need a fall out
Of all the past that's here between us
And I'm not holding on
And all your lies weren't enough to keep me here

And I want to get free
Talk to me
I can feel you falling
And I wanted to be
All you need
Somehow here is gone
And I want to get free
Talk to me
I can feel you falling

I know it's out there
I know it's out there
I can feel you falling
I know it's out there
I know it's out there
Somehow here is gone
I know it's out there
I know it's out there
Somehow here is gone
