I've been where the river ran  
I'm drownin' in a sunless sea  
Sleep has helped me find my end  
You promised me you'd set me free  
Don't fall asleep to dream

A banshee's at my window pane  
There's an angel at my feet  
Don't fall asleep to dream

I'm awake now  
(You can't touch me, I won't sleep no more)  
I'm awake now

In the corner of my mind  
Where he sits and waits for me  
There's a wall of confusion building  
And the sky begins to bleed on me

Don't fall asleep to dream

I'm looking for a way out now  
Peace of mind is all I need  
Don't fall asleep to dream

I'm awake now  
(You can't touch me, I won't sleep no more)  
I'm awake now  
(You can't touch me, I won't sleep no more)  
I'm awake now  
(You can't touch me, I won't sleep no more)  
I'm awake now

I'm awake now  
I'm awake now  
I'm awake now  
I'm awake now
