When I was three feet tall  
I loved 'em all  
And lived life for myself  
Fallin' down for laughs  
Your photograph  
Some puppets made of felt

Watching life in OZ Thanksgiving Eve  
On Grandma's old TV  
Dancing round about  
I'd twist and shout for everyone to see

Impersonality  
It's leanin' hard on me

Mamma's in a shop  
Watching little sister by myself  
Robbed a wishing pond  
In a fleeting bond  
Bound to share the wealth

Scooping up the coins  
A warning shot from some authority  
Doesn't matter now  
But I'll shout out loud for everyone to see

Never got to know ya  
Did you ever wonder why?  
Now it's nice to know ya  
And I'm glad you're doing fine  
Think of all the time lost  
Was it really lost at all?  
Now I'm so proud of ya  
I'd love to tell you all I see  
Listen hard to your reality

Impersonality  
It's leanin' hard on me

Impersonality  
It's leanin' hard on me
