Look around outside  
Ain't nothing to do but hang around  
Think about all the stupid things that I've done  
I guess I ain't nothin' but a clown

If I had a wish, I swear I'd wish  
I'd wish for just one thing  
And I don't even like to think about  
All the things my wish'd bring

'Cause I just wanna be James Dean  
I just wanna be James Dean  
I just wanna be James Dean  
For a day

I wanna be oversexed and underworked  
And look at me I'm such a jerk  
And I just wanna be James Dean  
For a day

Think about stories of the actors and the movies stars  
Sittin' here watchin' the old men drinkin' at the bar  
I think about Dean and all the things he should've tried  
I think about Dean and all the ways he could've died,  
yeah died

And I wouldn't give a shit about anything  
'Cause I'd be such a big movie star  
And that don't really do me much good  
Just cryin' at the bar

But I just wanna be James Dean  
I just wanna be James Dean  
I just wanna be James Dean  
For a day

See but I'm overworked and undersexed  
And look at me, I'm such a wreck  
And I just wanna be James Dean  
For a day

Going crazy 'cause I'm always all alone

Going crazy no one calls me on the phone  
I think about Dean and I know Dean, he wouldn't care  
If I was Dean, I know there'd be somebody there  
Yeah there'd be somebody there for me

Yeah, I think about all the really cool things  
I could do and say  
Then you go and tell me  
That you found out Dean is gay

No, I don't wanna be James Dean  
I don't wanna be James Dean  
I don't wanna be James Dean  
Anymore
