Reach  
For higher ground  
About the way you look  
The way you scream out loud

Mine  
Just like the last time  
It's all the same to me  
She said

Let's pretend  
My January friend  
I'm wanting you again  
I wanna touch ya  
Every single heart that beats pretend  
My January friend  
I'm wanting you again  
I wanna touch ya  
Every single heart that beats

Cry  
Don't cry out loud  
You've gotta bear your cross but never dream too loud  
And you're tied  
Tied to the next time  
You realize  
Your crimes

Let's pretend  
My January friend

I'm wanting you again  
I wanna touch ya  
Every single heart that beats pretend  
My January friend  
I'm wanting you again  
I wanna touch ya  
Every single heart that beats

Time stood still Monday morning, yeah  
Showed me what I had to see  
It's not the way I thought it to be, oh yeah

You're my January friend  
You're my January friend  
You're my January friend  
And every heart that beats pretend  
My January friend  
You're my January friend  
You're my January friend  
You're my January friend  
And every heart that beats tonight's pretend
