I'm in love because I know you  
And I'm sorry I don't show you  
And if I find that you ain't by me  
Afraid no one know the things you see

How could you believe in someone sorry-sad like me?  
I know the deal and I thank you anyway  
And if you leave, you know I'm crawlin' at your feet  
You never get weak when I'm leanin' hard on you

But I guess that's just the way you are  
And I guess it's just the way you are  
Well, I guess it's just the way you are  
Well, I guess it's just the way you are

And all the things that you don't show me  
Like when you pretend that you don't know me

I waste a dime and I can't call you  
I spend a lifetime if I fall for you

How could you believe in someone sorry-sad like me?  
I know the deal and I thank you anyway  
And if you leave, you know I'm crawlin' at your feet  
You never get weak when I'm leanin' hard on you

But I guess that's just the way you are  
And I guess it's just the way you are  
Well, I guess it's just the way you are  
Well, I guess it's just the way you are

Hold me up  
Hold me up  
Hold me up  
Hold me up
