Could you whisper in my ear
The things you wanna feel
I'd give you anythin'
To feel it comin'

Do you wake up on your own?
And wonder where you are
You live with all your faults

I wanna wake up where you are
I won't say anything at all
So why don't you slide
Yeah I'm gonna let it slide

Don't you love the life you killed
The priest is on the phone
Your father hit the wall
Your ma disowned you

Don't supposed I'll ever know
What it means to be a man
Somethin' I can't change
I'll live around it

I wanna wake up where you are
I won't say anything at all
So why don't you slide
Slide

And I'll do anythin'
You ever dreamed to be complete
Little pieces of the nothin' that fall

Oh May
Put your arms around me

What you feel is what you are
And what you are is beautiful
Oh May
Do you wanna get married
Or run away?

And I'll do anythin'
You ever dreamed to be complete
Little pieces of the nothin' that fall

Oh May
Put your arms around me
What you feel is what you are
And what you are is beautiful
Oh May
Do you wanna get married
Or run away?

I wanna wake up where you are
I won't say anything at all

And I'll do anythin'
You ever dreamed to be complete
Little pieces of the nothin' that fall

And I'll do anythin'
You ever dreamed to be complete
Little pieces of the nothin' that fall

Yeah, slide between the sheet
Of all the beds you never knew
Why don't you slide into my room
Just slide into my room
Oh, we'll run away, run away, run away
