I was a stranger and you came to my side
And you said, "Oh you're alright now"
And you were so knowing
I felt so lost and confused

Oh, I need you there
When the nightmares
And dreams have come true

I barely knew you
But you talked till you laughed
Till you cried out so loud
"Someone save me"

Oh, black streaks of Maybelline
Run down your cheeks again
Oh, I prayed for answers
You take the chances or refuse

Oh, I need you there
When the nightmares
And dreams have come true

And oh, I need you there
When the nightmares
And dreams have come true

Yeah, we belong
Yeah, we belong
Yeah, we belong
Yeah, we belong

Oh, I need you there
(Yeah, we belong)
When the nightmares
And dreams have come true

Oh, I need you there
(Yeah, we belong)
When the nightmares
And dreams have come true

Oh, I need you there
(Yeah, we belong)
When the nightmares
And dreams have come true

Oh, I need you there
(Yeah, we belong)
When the nightmares
And dreams have come true
