Well, you play your part so easily
You fooled yourself again
With your lipstick smeared
Across some face, you'll never see again

And I sat there in the corner
Working back my memories
And I wondered if the time would come
You'd get around to me

Oh, oh, oh, oh
Living the sweetest lie
Oh, oh, oh, oh
Living the sweetest lie

Well, you made me feel electric
Every moment that we shared
But the lights went out when I realized
You never even cared

So I picked myself back up
I didn't know where I had been
And the thing that makes it seems so wrong
Is I want you back again

Oh, oh, oh, oh
Living the sweetest lie
Oh, oh, oh, oh
Come on, baby, give me love

Oh, oh, oh, oh
Living the sweetest lie
Oh, oh, oh, oh
Come on, baby, give me love

You know you'll never take it
Your love will never be taken, no
And now you're tired of waking
Now you're tired of waking up

Oh, oh, oh, oh
Living the sweetest lie

Oh, oh, oh, oh
Come on, baby, give me love

Oh, oh, oh, oh
Living the sweetest lie
Oh, oh, oh, oh
Come on, baby, give me love
