I saw you once
Then I blew it for the next ten thousand days
I should have packed away
I needed to go back and show you
I needed to come back, I know it's wrong
I'll have to get along

Mama just called
Said, you're tucked away
Mama just called
Said, you tucked away another day
Mama just called
Said, you're tucked away
Your mama just called
Said, you're extra sad today

I spent the whole day yesterday
On cliches about love
Making me remember when your pushes became
shoves
I wanted to come back and show you
Needed to go back, I know it's wrong
I'll have to get along

Mama just called
Said, you're tucked away
Mama just called
Said, you tucked away another day
Mama just called
Said, you're tucked away
Oh your mama just called
Said, you're extra sad today

And why'd you go and play my trust?
Today's the same as yesterday
I'm okay
I'll take a doctor's recommended time to get along
Since you've been gone
I'll get along any way at all

Mama just called
Said, you're tucked away

Mama just called
Said, you're tucked away another day
Mama just called
Said, you're tucked away
Mama just called
Said, you're tucked away

Tucked away
Tucked away
Tucked away
Tucked away
