And the guy across the street

I hung your picture on the wall  
But that's all it is  
I break my fingers to make a call  
But that's all it is  
I know you're livin' way out west  
But I don't think that I confessed  
Everything I feel

You say you got no faith in things that you can't see  
Well, I'm sorry I ain't there with you, but you ain't here  
with me  
And I'm down in all my fears  
I ain't cryin' no tears over you

Cuz everything's wrong  
But it's alright  
Everything's wrong  
Well, it's alright  
You said that this is crazy, you're half a world away  
Well, I'm sittin' here and thinkin', but I didn't know what  
to say  
So I said something I can't touch, I always want way too  
much anyways

Cuz everything's wrong  
But it's alright  
Everything's wrong  
Well, it's alright

I hung your picture on the wall, but that's all it is  
I break my fingers to make a call, but that's all it is  
I know you're livin' way out west, don't get me wrong  
I'm not impressed with you no more
