how can it be easy to forget you
when i think about you all the time
I'll never know how I miss you
when I never had you, were never mine

I move on but I can't go on
without you
said I'll try
don't know why
what to do
without you
can't move on
can't move on

It'd be cool if we never met
If we never locked eyes
Then i'd feel so happy
By knowing you're so fine

I move on but I can't go on
without you
said I'll try
don't know why
what to do
without you

can't move on
can't move on

i get so nervous when Im around you
There's nothing i can say
i wish you would get out of my head
i think about you everyday

I move on but I can't go on
without you
said I'll try
don't know why
what to do
without you
can't move on
can't move on

without...

Rock!

I move on but I can't go on

without you
