If we think about it
We could talk about it
If we analyze, if nothing disturbs
I'm losing sleep about it
I toss and turn around it
We're back and forth about it
And nothing is done

Catherine, you came out of nowhere disturb me
Damn, this situation
Catherine, I had no intention it hurts me
Damn, this situation
Damn this situation again
(Damn, this situation again)

I take a walk around
To clear my head out of it
And when I come back down I'm still in this sh*t
I ask my friends about it
To get a new perspective
But I'm not listening to any of it

Catherine, you came out of nowhere disturb me
Damn, this situation
Catherine, I had no intention it hurts me
Damn, this situation

Oh, Catherine
You're not mine but I need you
Damn, this situation
Oh, Catherine
It ain't right, but I want you
Damn, this situation
Damn, this situation

Please don't tell me I'm seeing you for the last time
Let me change your mind
I'll keep every promise that I've made
When we're talking late at night
Say you'll keep yours

Catherine, I'm dying to tell you I love you
Damn, this situation
Oh, Catherine
I had no intention to fall in
Damn, this situation
Oh, Catherine
You're not mine but I need you
Damn, this situation
Oh, Catherine
It ain't right but I want you
Damn, this situation
Damn, this situation again

(Damn, this situation again) [x3]
