I need a change
Not to immitate, to irritate
All the world to hate
Maybe late
Always sing together all day without you
I guess it's fate

I live in a cemetary
Full of good will and integrity
I have no specialty

Here's your warning
I'll give you click click boom

I live in a cemetary
I need a change
Not To immitate, irritate

I live in a cemetary
I need a change
Not To immitate, irritate

(intrumental)

I live in a cemetary
I need a change
Not To immitate, irritate

I live in a cemetary
I need a change
Not To immitate, irritate

I live in a cemetary
I need a change
Not To immitate, irritate...
