I need a change
Not to imitate
Just to irritate
All the ones who hate
I may be late
Always seem to get the wrong date
Well I guess it's fate
I live in a cemetery
Full of good will and integrity
I have no specialty
Here's your warning
I give you click click boom
I live in a cemetery
Not to imitate
Just to irritate
I live in a cemetery
I need a change

Not to imitate
Just to irritate
I live in a cemetery
I need a change
Not to imitate
Just to irritate
I live in a cemetery
I need a change
Not to imitate
Just to irritate
I live in a cemetery
I need a change
Not to imitate
Just to irritate
