Uh
All right
Here we go
One time for your mind
your body and your soul
Everytime that I rhyme
you know I'm in control
all right
here we go, here we go, here we go

And we've been here for so many years
but still it seems as if you're not there
are you there?
Well, everytime I talk
you turn away
Do you care?
But isn't dad an obligation to care?
And we said

-[CHORUS]-
And we've been here for so many years
So many years
Still it seems, what?
You're so complicated
Yeah
you're overrated
all right
you're complicated
Well this feeling is love...

Well I came in the door
Yeah I said it before
I never let the stress get me down no more
I'm giving thanks to the lord
you know I pray everyday
I'm giving shouts to my peeps
And this is what we say (yeah we said)

-[CHORUS]-
And we've been here for so many years

So many years

Still it seems, what?
You're so complicated
Yeah
you're overrated
all right
you're complicated
Well this feeling is love...

You left us one little room with a black and white TV
One eviction notice, and a bill for therapy
You're living all alone you're like a dog without a bone
I Said you're living all alone 'cause you left us all at home
Well you had a second chance but you threw it all away
A fourth and fifth and sixth but that was yesterday
Now you're sitting at a bar just a drowning in your tears
you're lonely in your corner while everybody cheers

And we've been here for so many years
So many years (so many years)
still it seems (through it all)
And we've been here for so many years
So many years
Still it seems, what?
You're so complicated
Yeah
you're overrated
all right
you're complicated
Well this feeling is love...
