One day I woke up, I woke up knowing today is the day I
will die

Cashdog was barking went to the park and enjoyed
that one last time

I called my mother told her I loved her and begged her
not to cry

I wrote her a letter that said I'd miss her and signed
that goodbye...

You know the happiest day of my life

I swear the happiest day of my life is the day that I die

(The day that I die)

Can you feel the cold tonight?

(The day that I die)

It sets in but it's alright

(The day that I die)

Darkness falls I'm letting go

(The day that I die)

All alone but I feel fine

We took a drive and we drove through D.C.

To see the places we lived, long conversations

We talked of old friends and all the things that we did

The summer nights, drunken fights

Mistakes we made... did we live it right?

You know the happiest day of my life I swear the

happiest day of my life

Is the day that I died

(The day that I die)

Can you feel the cold tonight?

(The day that I die)

It sets in but it's alright

(The day that I die)

Darkness falls I'm letting go

(The day that I die)

All alone but I feel just fine

You know the happiest day of my life

I know the happiest day of my life

I swear the happiest day of my life is the day that I died

(The day that I die)
Can you feel the cold tonight?
(The day that I die)
It sets in but it's alright
(The day that I die)
Darkness falls I'm letting go
(The day that I die)
All alone but I feel just fine

Did I live it right?
I hope I lived it right
Did I live it right?
Did I live it right?
I hope I lived it right
I know I lived it right
