Hey dad  
I'm writing to you  
not to tell you, that I still hate you  
just to ask you  
how you feel  
and how we fell apart  
how this fell apart

are you happy out there in this great wide world?  
do you think about your sons?  
do you miss your little girl?  
when you lay your head down  
how do you sleep at night?  
do you even wonder if we're all right?

but we're all right  
we're all right

*[Chorus:]*

it's been a long hard road without you by my side  
why weren't you there all the nights that we cried  
you broke my mother's heart  
you broke your children for life  
it's not ok,  
but we're all right  
I remember the days, you were a hero in my eyes  
but those were just a long lost memory of mine  
I spent so many years learning how to survive  
Now, I'm writing just to let you know that I'm still alive

the days I spent so cold, so hungry  
were full of hate  
I was so angry  
those scars run deep inside this tattooed body  
there's things I'll take, to my grave  
but I'm okay

I'm okay

*[Chorus:]*

it's been a long hard road without you by my side  
why weren't you there all the nights that we cried

you broke my mother's heart  
you broke your children for life  
it's not ok,  
but we're all right  
I remember the days, you were a hero in my eyes  
but those were just a long lost memory of mine  
Now, I'm writing just to let you know that I'm still alive  
yeah, I'm still alive

sometimes  
I forgive  
yeah and this time  
I'll admit  
that I miss you, said I miss you

*[Chorus:]*

it's been a long hard road without you by my side  
why weren't you there all the nights that we cried  
you broke my mother's heart  
you broke your children for life  
it's not ok,  
but we're all right  
I remember the days, you were a hero in my eyes  
but those were just a long lost memory of mine  
Now, I'm writing just to let you know that were still alive

and sometimes  
I forgive  
and this time  
I'll admit, that I miss you, miss you  
hey dad
