Educated
with money
these well dressed
not funny
There's not much to say
in most conversations
but what helps to fill
in all situations
cuz he pays for everything
girls don't like boys
girls like cars and money
boys will laugh at girls
when they're not funny
Paper or plastic
don't matter she'll have it
Vacations and Shopping Sprees
These are a few
of her favorite things
She'll get what she wants
And she's willing to please
His type of girl
always comes with a fee
Hey now

there's nothing for free
Girls don't like boys
girls like cars and money
boys will laugh at girls when they're not funny
And these girls like these boys like these boys like
these girls
Girls with their bodies
like boys with Ferraris
girls don't like boys
girls like cars and money
let's go
Girls don't like boys
girls like cars and money
boys will laugh at girls
when they're not funny
and these girls like these boys like these boys like
these girls the girls with the bodies
and boys with Ferraris

all of these boys
and all of these girls
losing their souls in a material world
