Ooooo....

Ooooo....

I could sit for hours singing renditions of the sun

And we could talk for hours

Cos you know you're the one

And everytime I open up my heart to you

(You bring me down)

You rip it out

(Gravity girl)

You bring me down

(Bring me down)

You tell me that I'm with you

Cos you're my

Gravity girl

Gravity girl

I got my own

And my whole world

You're my

Gravity girl

I'm so high

In your world

I could sit for hours

Singing renditions of the sun

(Gravity girl)

We could talk for hours

Cos you know you're the one

(Gravity girl)

And every time I open up my heart to you

(You bring me down)

You rip it out

(Gravity girl)

You bring me down

(Bring me down)

You tell me that I'm with you

Cos you're my

Gravity girl

Gravity girl

I got my own

And my whole world

You're my

Gravity girl

I'm so high
In your world
Gravity girl
Gravity girl
Gravity girl
Gravity girl
Oooooooo....
Gravity girl
Gravity girl
Oooooooo....
Gravity girl
