I need an alarm system  
In my house  
So I know when people are  
Creeping about  
These people are  
Freaking me out  
These days

It's getting hectic  
Every where that I go  
They won't leave me alone  
There's things they all wanna know  
I'm paranoid of all the people I meet  
Why are they talking to me  
And why can't anyone see

I just wanna live  
Don't really care about the things that they say  
Don't really care about what happens to me  
I just wanna live

Just wanna live  
Just wanna live  
Just wanna live  
Just wanna live

Just wanna live  
Just wanna live

I rock a law suit  
When i'm going to court  
A white suit  
When I'm getting a divorced  
A black suit  
At the funeral home  
And my birthday suit  
When I'm home alone

Talking on the phone  
Got an interview  
With the rolling stone  
They're saying

Now you're rich  
And now you're famous  
Fake ass girls all know your name and

Lifestyles of the rich and famous  
Your first hit.  
Aren't you ashamed  
Of the life  
Of the life  
Of the life we're living?

I just wanna live  
Don't really care about the things that they say  
Don't really care about what happens to me  
I just wanna live

Stop your messing around boy  
Better think of your future  
Better make some good plans boy  
Said everyone of my teachers

Look out  
You better play it safe  
You never know what hard times will come your way  
We say  
Where we're coming from  
We've already seen the worst that this life can bring

Now we expect it  
Every where that we go  
All the things that they say  
Yeah we already know

I just wanna live  
Don't really care about the things that they say  
Don't really care about what happens to me (just wanna  
live just wanna live just wanna live)  
I just wanna live just wanna live (just wanna live just  
wana live just wanna live)

I just wanna live just wanna live (just wanna live just  
wanna live)  
Don't really care about the things that they say (just  
wanna live just wanna live just wanna live)  
Don't really care about what happens to me  
I just wanna live

I just wanna live just wanna live (just wanna live just  
wanna live)  
Don't really care about the things that they say (just  
wanna live just wanna live just wanna live)

Don't really care about what happens to me  
I just wanna live
