Yeah, This song is dedicated
[This is Good Charlotte]
To every kid who ever got picked last in gym class
[You know what I'm saying, this is for you]
To every kid who never had a date to no school dance
[This is for you]
To every one who's ever been called a freak
[Y'all know what I'm saying]

This is for you
[what..? GC!]
Here we, Here we go...

Yeah, what, c'mon
Yeah, what, c'mon
C'mon, c'mon
Ohh, [c'mon] Ohh,
[lets do this]

Here we go

Like the time in school when we got free lunch
And the cool kids beat us up,
[Reduced lunch]
And the rich kids had convertibles
And we had to ride the bus
[55]

Like the time we made the baseball team
But they still laughed at us
[You still suck]
Like the time that girl broke up with me
Cause I wasn't cool enough

TRICK

Things... Things...

Here we go [lets go]
The Little things
Little things
They always hang around

The Little things
Little things
They try to break me down
The Little things
Little things
They just won't go away
The Little things
Little things
Made me who I am today

GO!

You wanna hate me now
But I won't stop now
Cause I can't stop now
Yeah, what, c'mon, what,
Yeah, what, c'mon, c'mon,

Here we go

Like the time mom went to the institute
Cause she was breaking down
[I just can't take it]
Like the car we had that wouldn't start
We had to walk to get around
[Can I get a ride?]
And that same year on Christmas Eve
Dad went to the store
[Uh... see you kids later]
We checked his room his things were gone
We didn't see him no more

DICK

Things... Things.....

Here we go

The Little things
Little things
They always hang around
The Little things
Little things
They try to break me down
The Little things
Little things
They just won't go away
The Little things
Little things
Make me who I am today

GO!

You wanna hate me now
But I won't stop now
Cause I can't stop now
What, what, what

Here we go

Little Things (x fifteen)

Here we go

Ohh Ohh Ohh Ohh

Here we go

And it always seems those little things they take the
biggest part of me (x 2)

It always seems those little things they take the biggest
part of me,
And I know that those little things they make the
biggest part of me

Break down,
I'm breaking down,
Break down

(Charlotte 1999)
