This is where I'll
Meet my maker tonight

(music...)

So this is it
This is my life
This is my time
It's ending tonight
I made my mistakes
I tried to live right
Stepped out of the darkness
Into the light
And when I'm gone
Will they remember
Will they mourn
Will they move on
When my sad songs
The lonely sun
His time has come
His life is done

And tonight [tonight]
We'll celebrate the end
Of this life [this life]
And we'll sing
Yeah (x4)

Whhooaa aaoohh
It's alright this is the night
Life beat me again
With open arms
This is the way
The way I will
Meet my maker tonight

And on my grave
What will it say?
"Here lies another soul
That was saved"
So please don't cry
Just sleep at night

And I will wait on the other side

And tonight [tonight]
We'll celebrate the end
Of this life [this life]
And we'll sing
Yeah (x4)

Whooaahh ooohhh
It's alright
This is the night
Life beat me again
With open arms
This is the way
The way I will
Meet my maker tonight

And tonight
We'll celebrate the end
Of this life
And we'll sing
Yeah (x4)

Whoaaaa ooohh
It's alright
This is a night
Like we've began
With open arms
This is the way
The way I'll
Meet my maker tonight
