Spend your lazy, endless crazy,
Days inside my head...
You're so selfish, you're not the only,
One who thinks he's dead...
I'm paid to smile, now i'm on trial,
For what you think I said...
But I never said,
That everything would be okay...
And I never said,
That we would live to see another day...
(yeah... yeah)
Chorus:
Motivate me,
I wanna get myself out of this bed.
Captivate me,
I want good thoughts inside of my head.
If I fall down,
Would you come around,
And pick me right up off the ground?
If I fall down,
Would you come around,
And pick me right up off the ground?
I'm realistic, and narcissistic,
You say I'm selfish and absurd.
You try to change me, try to save me,
You say I'm gonna learn.
I'm so blind, I'm out of time,
You're so unkind sometimes.
I never lied, I never lied, I never lied...
Cause I never said,
That everything would be okay,
And I never said that we would live to see another day,
(yeah...yeah)
Chorus:
Motivate me,
I wanna get myself out of this bed.
Captivate me,
I want good thoughts inside of my head.
If I fall down,
Would you come around,
And pick me right up off the ground?
If I fall down,

Would you come around,
And pick me right up off the ground?
Right up off the ground..
Pick me right up off the ground..

Yeah...
Cause everything,
It'll be okay.
You know we're gonna live,
To see another day...
Yeah... yeah, yeah, yeah...
Motivate me...
(I wanna get myself out of this)
Yeah...
Motivate me...
(I wanna get myself out of this)
Yeah...
Motivate me...
(I wanna get myself out of this)
Yeah...
Motivate me...
(I wanna get myself out of this bed!)

Yeah...
