When I think about my life
I wonder if I will survive
To live to see in twenty five or will I just fall?
I call my friends, they just keep dyin'
People round me always cryin'
In this place that I like to call my home
Well not everybody knows that everybody goes to a
better place
And not everybody knows that everybody could be livin'
their last days
But the hard times to come and we'll keep movin' on
We're movin' up

Keep movin' on, and on and on
(Life, hope, truth, trust, faith, pride, love)
Keep movin' on, and on and on
(Lust, on without the things we've lost)
(The things we've gained we'll take with us)

And also I've got are these two hands
To make myself a better man
I wonder if I'll ever see the end of this
With all this rain it just keeps fallin'
On my head and now I'm callin'
Out to someone else to help me make it through
Not everybody knows that everybody goes to a better
place
And not everybody knows that everybody could be livin'
their last days
But the hard times to come and we'll keep movin' on
We're movin' up

Keep movin' on, and on and on
(Life, hope, truth, trust, faith, pride, love)
Keep movin' on, and on and on
(Lust, pain, hate, lies, guilt, laugh, cry, live)
Keep movin' on and on and on and on
(Die, some friends become enemies)
On and on and on and on
(Some friends become your family)
On and on and on and on
(Make the best with what you're given)

On and on and on and on
(This ain't dyin', this is livin')

So we're movin' on and we've got nothin' to prove
To anyone
'Cause we'll get through
We're movin' on and on and on and on and
On and on and on and on and
On and on and on and on and
On and on and on and on and

Keep movin' on, and on and on
(Life, hope, truth, trust, faith, pride, love)
Keep movin' on, and on and on
(Lust, pain, hate, lies, guilt, laugh, cry, live)
Keep movin' on and on and on and on
(Die, some friends become enemies)
On and on and on and on
(Some friends become your family)
On and on and on and on
(Make the best with what you're given)
On and on and on and on
(This ain't dyin', this is livin')
