put your hands on my shoulder
hold me in yours arms, baby
squeeze me oh so tight and show me
that you love me too

put your lips next to mine dear,
wont you kiss once so baby,
just to kiss goodnight and maybe
you and i will fall in love

people say
that love is a game
a game, you just cant win

if theres a way i'll find it someday
and then this fool will rush in

put your hands on my shoulder
whisper in my ear baby
words i wanna hear, tell me
tell me that you love me too

put your hands on my shoulder
whipser in my ear baby
words i wanna hear baby
put your hands on my shoulder
