[Originally by Paul Anka]

put your heads on my shoulder  
hold me in yours arms, baby  
squeeze me oh so tight and show me  
that you love me too

put your lips next to mine dear,  
wont you kiss me once so baby,  
just to kiss goodnight and maybe  
you and i will fall in love

people say  
that love is a game  
a game, you just cant win  
if theres a way i'll find it someday  
and then this fool will rush in

put your heads on my shoulder  
whisper in my ear baby  
words i wanna hear, tell me  
tell me that you love me too

put your heads on my shoulder  
whisper in my ear baby  
words i wanna hear please, baby  
put your heads on my shoulder
