Here I am on
The phone again, and
Awkward silence is
On the other end
I used to know the sound
Of a smile in your voice
But right now (right now)
All I feel (All I feel)
Is the pain of the fighting
Starting up again

All the things we talk about
You know they stay on my mind
On my mind
All the things we laugh about
They'll bring us through it every time
After time after time

Don't say a word
I know you feel the same
Just give me a sign
Say anything, say anything
Please don't walk away
I know you wanna stay
Just give me a sign
Say anything, say anything

Some say that
Time changes
Best friends can
Become strangers
But I don't want that
No, not for you
If you just stay with me, we can make it through
So Here we are again
The same old argument
And now I'm wonderin'
If things'll ever change, yeah
When will you laugh again?
Laugh like you did back when
We'd make noise til 3 AM and the neighbors would
complain

All the things we talk about
You know they stay on my mind
On my mind
All the things we laugh about
They'll bring us through it every time
After time after time

Don't say a word
I know you feel the same
Just give me a sign
Say anything, say anything
Please don't walk away
I know you wanna stay
Just give me a sign
Say anything, say anything

I'm fallin'
I'm fallin'
I'm fallin' down
I'm fallin'
I'm fallin'
I'm fallin' down
Down
Down
Down

Don't say a word
I know you feel the same
Just give me a sign
Say anything, say anything
Please don't walk away
I know you wanna stay
If you'll just give me a sign
Say anything, say anything

Don't say a word (Please don't leave)
I know you feel the same
Just give me a sign
Say anything, say anything
Please don't walk away (Please don't leave)
I know you wanna stay
Just give me a sign
Say anything, say anything
