Summer air reminds me of  
All the feelings of your love  
And what it was like  
When we were together  
Walking all along the beach  
You were never far from my reach  
And you held me  
Through the stormy weather  
And I wanna fall in love  
Tonight  
And I remember when you said  
Everything's gonna be alright  
Laying in the summer grass  
You told me not to talk so fast  
As I told you  
How I feel  
You made me feel right at home  
You told me I was not alone  
And you knew  
Just how I feel  
I know we talked about it  
I just can't get around  
I just want one more night with you  
I wanna fall in love  
Tonight  
And I remember when you said  
Everything's gonna be alright  
October air reminds me of  
All the seasons of your love  
And what it was like  
When we were together  
The smell of fall is everywhere  
And though it seems I just don't care  
'Cause now you've gone away  
I wanna fall in love  
Tonight  
And I remember when you said  
Everything's gonna be alright  
Alright  
I wanna fall in love  
I wanna fall in love  
Tonight
