*[live at CBGB]*

This is about all of us, this is our song. Me and you.

Talk to me, and tell me  
About you, and I'll try  
To understand the things you've done, and the things  
you've been through yeah.  
These are words I've never heard  
From anyone but now I've sung  
But that's ok 'cause I've learned that I like to be alone.

*[Bridge:]*

I tried to warn you.  
I tried to say that I'd walk away.  
I tried to tell you.  
But no one listens to me anyway.

*[Chorus:]*

Where do you go now,  
When you're seventeen years old?  
You've got no one,  
You've got nothing,  
You've got nowhere to belong?

That's right, that's me.  
Always guilty.  
I'm trying to fit in  
Where I just don't get in but  
That's ok 'cause we're the same.  
We've done ok, we've got no name.  
And that's alright 'cause we've learned  
This is our song.

*[Bridge]*

*[Chorus]*

Where do I go now,  
Now I'm twenty-one years old?  
Still got no one,  
Still got nothing,  
Still got nowhere to belong?

Some hard days, some hard nights,  
Twenty-one years still nothing's right.  
Some hard days, some hard nights,  
Twenty-one years still nothing's right.  
Nothing's right, nothing's right.

Where do I go?  
This is the story of my life.  
*[Repeat x4]*
