Always  
Always and forever  
I'm sitting here I'm thinking back to a time when i was  
young  
My memory is clear as day  
I'm listening to the dishes clean  
You were downstairs you would sing  
Songs of praise  
And all the times we laughed with you  
And all the times that you stayed true to us  
Now we say  
I said I thank you  
I'll always thank you  
More than you could know  
Than i could ever show  
And I love you  
I'll always love you  
There's nothing i won't do to say these words to you  
That you're beautiful forever  
You were my mom you were my dad  
The only thing i ever had was you it's true  
And even when the times got hard you were there to let  
  
Us know that we'd get through  
You showed me how to be a man  
You taught me how to understand the things people do  
You showed me how to love my god  
You taught me that not everyone knows the truth  
And i thank you  
I'll always thank you  
More than you could know  
Than i could ever show  
And i love you  
I'll always love you  
There's nothing i won't do to say these words to you  
That you will live forever  
Always
