Always, always, and forever...
All, always, always, and forever...

(joel)

I'm sitting here i'm thinking back to a time when i was
young...
My memory, is clear as day
I'm listening to the dishes clink, you were downstairs,
you would sing
Songs of praise
And all the times we laughed with you, and all the
times that you stayed true
To us
Now we'll say...
I said i thank you, we'll always thank you
More than you would know, than i could ever show
And i love you, i'll always love you
There's nothing i won't do, to say these words to you
That you're beautiful forever...

(chorus)

All, always, always, and forever...

You were my mom, you were my dad, the only thing i
ever had was you, it's true
And even when the times got hard, you were there to
let us know...that we'd get
Through
You showed me how to be a man, you taught me how to
understand the things,
People do
You showed me how to love my god, you taught me
that not everyone... knows the
Truth
And i thank you, we'll always thank you
More than you would know, than i could ever show
And i love you, we'll always love you
There's nothing i won't do, to say these words to you
That you will live forever...

(acoustic guitar solo)

Forever...

And ever...

(bridge)

Forever...

And ever...

I said i thank you, we'll always thank you
More than would know, than i could ever show
And i love you, we'll always love you...
There's nothing i won't do, to say these words to you
And i thank you, we'll always thank you...
More than you would know, than i could ever show
And i love you, we'll always love you
There's nothing i won't do, to say these words to say
That, you will never, ever...
Ohhhhhh...
