Good Charlotte
"The Click"

Just because I walk
Like Obi-Wan Kenobi
You people talk
But you don't even know me
And that's all right
'Cause I get down with GC
So I walk on and
Listen to their CD
Some people laugh
They do it just to spite me
Behind my back
They don't know what I see
But I don't care what they say
I don't need them anyway
I'll just go about my day
But anyway

You go out on Friday night
I'll stay in but that's all right
'Cause I have found a click
To call my own in-crowd
Out-crowd
I don't care your crowd
My crowd
We can't share
'Cause I have found
A click to call my own
(Let's go)

So come and talk to me
On my computer screen
The best years of our lives
Aren't as easy as they seem
But one day we'll look back
And then we'll have to laugh
They used to call us names
Now they want our autographs
To get the girl
And make the grade
Its all a show
Its all a game
And I would lose it if I played

Its all the same

So I don't care what they say
I don't need them anyway
I'll just go about my day
But anyway
I don't care what they say
I don't need them anyway
I'll just go about my day
But anyway

You go out on Friday night
I'll stay in but that's all right
'Cause I have found a click
To call my own in-crowd
Out-crowd
I don't care your crowd
My crowd
We can't share
'Cause I have found a
Click to call my own

She says she'd call
But I know she won't
She won't
She won't
But anyways

You go out on Friday night
I'll stay in but that's all right
'Cause I have found a click
To call my own in-crowd
Out-crowd
I don't care your crowd
My crowd
We can't share
'Cause I have found a
Click to call my own

I don't care what you say
I don't need you anyway
I just go about my day
But anyway

I don't care what you say
I don't need you anyway
I just go about my day
But anyway
