She's going out to forget they were together  
All that time he was taking her for granted  
She wants to see if there's more  
Than he gave she's looking for

He calls her up  
He's trippin on the phone now  
He doesn't want her out there  
And alone now  
He knows she's movin it  
Knows she's using it  
Now he's losing it  
She don't care

Everybody put up your hands  
Say I don't wanna be in love  
I don't wanna be in love  
Feel the beat now  
If you've got nothing left  
Say I don't wanna be in love  
I don't wanna be in love  
Back it up now  
You've got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love  
Feelin' good now  
Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love

He was always giving her attention  
Looking hard to find the things she mentioned  
He was dedicated  
But most suckers hate it  
That girl was fine  
But she didn't appreciate him

She calls him up  
She's tripping on the phone now  
He had to get up  
And he ain't comin home now  
He's tryin to forget her

That's how we come with him  
When he first met her  
When they first got together

Everybody put up your hands  
Say I don't wanna be in love  
I don't wanna be in love  
Feel the beat now

If you got nothing left  
Say I don't wanna be in love  
I don't wanna be in love  
Back it up now  
You got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love  
Feelin' good now  
Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love

To the beat (x3)  
You got nothing to lose  
Don't be afraid to get down

We break up  
It's something that we do now  
Everyone has got to do it sometime  
It's okay, let it go  
Get out there and find someone

It's too late to be trippin' on the phone here  
Get off the wire  
You know everything is good here  
Stop what you're doin'  
You don't wanna ruin  
The sense that you got to...  
Find a new one

Everybody! put up your hands  
Say I don't wanna be in love  
I don't wanna be in love  
Feel the beat now  
If you got nothing left  
Say I don't wanna be in love  
I don't wanna be in love  
Back it up now  
You got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love  
Feelin' good now

Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love

Ohh... ohhh... ohhh

Now you know what to do, so come on feeling good
