One day, I woke up, I woke up knowing
Today is the day I will die
Cash dog was barkin', went to the park and
Enjoyed it one last time

I called my mother, told her, I loved her
And I begged her not to cry
I wrote a letter, that said I'd miss her
And I signed that goodbye

You know the happiest day of my life
I swear the happiest day of my life
Is the day that I die

Can you feel the cold tonight?
(The day that I die)
It sets in but it's alright
(The day that I die)
Darkness falls I'm letting go
(The day that I die)
All alone but I feel fine

We took a drive and, we drove through D.C.
To see the places we lived
Long conversations, we talked of old friends
And all the things that we did

The summer nights, the drunken fights
Mistakes we made, did we live it right?

You know the happiest day of my life
I swear the happiest day of my life
Is the day that I die

Can you feel the cold tonight?
(The day that I die)
It sets in but it's alright
(The day that I die)
Darkness falls I'm letting go
(The day that I die)
All alone but I feel just fine

You know the happiest day of my life
I know the happiest day of my life
I swear the happiest day of my life
Is the day that I die

Can you feel the cold tonight?
(The day that I die)
It sets in but it's alright
(The day that I die)
Darkness falls I'm letting go
(The day that I die)
All alone but I feel
(Fine)

Did I live it right?
I hope I lived it right
(The day that I die)
Did I live it right?
(The day that I die)
Did I live it right?
I hope I lived it right
(The day that I die)
I know I lived it right
Good boy
