Don't care about a thing today  
I used to but I'm fed up  
And I can hear the words you say  
I wish that you would shut up  
I got responsibility  
That is my liability  
A menace to society  
At least that's what they say to me but

Chorus:

Tonight, tonight, it's on tonight  
I don't want your boring life  
And I don't want your 9 to 5  
Or anyone to tell me how to live my life

People always tell me not to waste my time  
To get a real job and get back in line  
You can say I'll never be a millionaire  
Tell me this guitar won't get me anywhere  
I've got responsibility  
That is my liability  
I'm questioning authority  
They say there's not a chance for me...

Chorus

Your future's no future  
Your future's no future  
Your future's no future  
I control my future

Chorus x3

I'm leaving  
I'm leaving  
I'm leaving  
I'm leaving tonight
