Mother fuckers should have never turned my mic on.
Oh,
Oh,
Say Whoa
This is a fight
Say here we are
Cause this is a fight

[Verse I]

You mother fuckers should have never turned my mic
on
out with the bullshit it's time for the fight song
Black hoodie, black airforce ones
A nigger with an attitude got a an airforce gun
Ready to get blood on my white tee
And a civilian mother fuckers feels just like me (just like
me)
And I got shots to give
So will there ever be another two pac and biggy
Ain't nothing you can do to stop this shit
Takes the rappers lives and punk rockers live
In the dark with no sunshine
When it's time for war we on the front line
Good Charlotte bringing the bass line.

[Chorus]

Said Whoa
This is a fight (Dear, Mr. President)
Said here we are
This is a fight (a letter to the mother fucking
government)
Said no, we don't want that shit
Said no, we can't take that shit
Said Whoa
This is a fight
This is a fight
This is a fight

[Verse II]

From the hood to the trailer parks
State of course to the F for trading our american flags
For all black rags, 'cause to them we ain't shit

But welfare niggers and poor white trash
In American the fact is this
You're a soldier behind your back
You eject but spit
Yeah massive, also gotta rap for chicks

Know we outside the white house for bats and sticks
This is more that rhyming, this is mothers crying
And the first of free country why is war designing
Send my people to fight, when they don't know why
theyre dying
This ain't a cry for help this is Bush resigning.

[Chorus]
Said Whoa
This is a fight (Dear, Mr. President)
Said here we are
This is a fight (I'm writing a letter to the mother fucking
government)
Said no, we don't want that shit
Said no, we can't take that shit
Said Whoa
This is a fight
This is a fight

[Bridge]
You gotta get up,
Stand up,
Just get up,
Set up,
Here we are (Dear, Mr. President)
You gotta get up,
Stand up,
Just get up,
This is a fight
This is a fight

[Chorus]
Said Whoa
This is a fight (Mother fucker should have never turned
my mic on)
Said here we are
This is a fight (Out with the bullshit it's time for the fight
zone)
Said no, we don't want that shit
Said no, we can't take that shit
Said Whoa (Mother fuckers should have never turned
my mic on)
This is a fight
This is a fight
This is a fight.
