Always see it on t.v.  
Read it in the magazines  
celebrities who want sympathy  
all they do is piss and moan  
inside the rolling stone  
talking about how hard life can be  
i'd like to see them spend the week  
living life out on the street  
i don't think they would survive  
if they could spend a day or two  
of being in someone else's shoes  
i think they'd stumble and they'd fall  
(fall)  
lifestyles of the rich and the famous  
they're always complanin  
always complanin  
if money is such a problem  
well they got mansions  
think we should rob them  
well did you know when you were claiming she could  
kill your wife  
but there's no such thing as 25 to life  
as long as you've got the cash, to pay for Cochren  
and did you know if you were caught and you were  
smoking crack  
McDonalds wouldn't even want to take it back  
you could always just run for mayor, of D.C.  
i'd like to see them spend a week  
living life out on the street  
i don't think they would survive  
if they could spend a day or two  
of being in someone else's shoes.  
i think they'd stumble and they'd fall  
they would fall  
lifestyles of the rich and the famous  
they're always complainin  
always complainin  
if money is such a problem  
well they got mansions  
think we should rob them  
lifestyles of the rich and the famous

they're always complainin  
always complainin  
if money is such a problem  
you got so many problems  
think i could solve them  
lifestyles of the rich and famous  
we'll take your clothes, cash cards, and homes just  
stop complainin
