Spend your lazy, endless crazy days, inside my head,  
You're so selfish, you're not the only one who thinks  
he's dead  
I'm paid to smile, now I'm on trial for what you think I  
said  
But I never said that everything would be ok,  
And I never said that we would live to see another day

*[Chorus]*

Motivate me, I wanna get myself out of this bed,  
Captivate me, I want good thoughts inside of my head,  
If I fall down would you come around and pick me right  
up off the ground

*[Chorus Ends]*

I'm realistic and narcissistic,  
You say I'm selfish and absurd  
You try to change me, you try to save me  
You say I'm gonna learn, I'm so blind,  
I'm out of time, You're so unkind sometimes,  
I never lied, I never lied, I never lied  
Cuz I never said that everything would be ok, and I  
never said that we would live to see another day..

*[Chorus]*

*[Chorus Ends]*

'Cause everything it'll be ok,  
You know we're gonna live to see another day,  
Yeah...yeah...  
Motivate me...yeah,  
Motivate me...yeah
