I smile , you laugh, I look away  
I sigh, you ask me why, I say,  
It's ok and I am just feeling down  
Your hand on mine I hear the words...  
If only love had found us first, our lives would be  
different  
So I stand and wait  
I am just a man  
Where would we be now baby, if we found each other  
first  
Where would we be now baby,  
And now I must confess  
That I am a sinking ship  
I'm anchored by the weight of my heart cause its filled  
with these feelings  
I keep my true thought locked beside my hearts black  
box  
It wont be found, it wont be found, through the smoke  
or the wreckage  
So I crash and burn  
I got a lot of things to learn  
Where would we be now baby, if we found each other  
first  
What would you do now darling, if I said these simple  
words  
I'll wait, I'll wait...As long as you want  
Where would we be now baby  
I'll wait  
I'll wait  
Where would we be now baby, if we found each other  
first  
What would you do now darling, if I said these simple  
words  
I'll wait, I'll wait...As long as you want.  
Where would we be now baby  
I'll wait  
I'll wait
