I smile , you laugh, I look away
I sigh, you ask me why, I say,
It's ok and I am just feeling down

Your hand on mine I hear the words
If only love had found us first,
our lives, would be different, oh

But that was not the plan, Oh

Where would we be now baby
If we found each other first?
What would you do now darling
If I said these simple words?

I'll wait, I'll wait
As long as you want
Where would we be now baby?

And now I must confess
That I am a sinking ship
I'm anchored by the weight of my heart
Cause its filled with these feelings

But I keep my true thought locked
Beside my hearts black box
And it wont be found, it wont survive
Through the smoke or the wreckage

So I guess I'll crash and burn, oh

Where would we be now baby
If we found each other first?
What would you do now darling
If I said these simple words?

I'll wait, I'll wait
As long as you want
Where would we be now baby?

I'll wait
I'll wait

Where would we be now baby
If we found each other first?
What would you do now darling
If I said these simple words?

I'll wait, I'll wait
As long as you want.
Where would we be now baby?
I'll wait, I'll wait, I'll wait, I'll wait
