I smile, you laugh, I look away  
I sigh, you ask me why, I say  
It's okay and I am just feeling down

Your hand on mine I hear the words  
If only love had found us first  
Our lives, they would be different, oh

So I stand and wait  
I am just a man

Where would we be now, baby  
If we found each other first?  
Where would we be now, baby?

And now I must confess  
That I am a sinking ship  
I'm anchored by the weight of my heart  
'Cause it's filled with these feelings

But I keep my true thoughts locked  
Beside my hearts black box  
And it won't be found, it won't survive

Through the smoke or the wreckage

So I crash and burn  
I got a lot of things to learn

Where would we be now, baby  
If we found each other first?  
What would you do now, darling  
If I said these simple words?

I'll wait, I'll wait  
As long as you want  
Where would we be now, baby?

I'll wait  
I'll wait

Where would we be now, baby

If we found each other first?  
What would you do now, darling  
If I said these simple words?

I'll wait, I'll wait  
As long as you want  
Where would we be now baby?  
I'll wait, I'll wait, I'll wait, I'll wait
