(this is a cover of the Queen-song with the same name, they dropped some verses for this version)

Too late  
My time has come  
Sent shivers down my spine  
Body's aching all the time

Goodbye everybody  
I gotta go  
Gotta leave you all behind,  
and face the truth

Mama, ooooooh  
I dont wanna die  
I sometimes wish i'd never been born at all

I see a little silhouetto of a man  
scadamouch, scadamouch  
will you do the fandango?  
Thunderbolt and lightning  
Very, very frightening  
Me!

Galileo, Galileo, Galileo, Galileo  
Galileo, Figaro  
Magnifico  
I'm juist a poor boy, nobody loves me  
He's just a poor boy  
From a poor family  
Spare him his life from this monstrosity

Easy come, easy go  
Will you let me go?  
Bismillah, no!  
We will not let you go  
Let him go  
Bismillah,  
We will not let you go  
Let him go  
Bismillah

We will not let him go  
Let him go  
Will not let you go  
Let him go  
Will not let you go  
Let him go  
No, no, no, no, no, no, no  
Oh mama mia, mama mia  
mama mia, let him go

Beelzebub has a devil put aside for me  
For me  
For me

Yeah!

So you think you can stop me and spit in my eye?  
So you think you can love me and leave me to die?  
Oh, baby  
Can't do this to me baby  
I just gotta get out  
Just gotta get right out of here
