I used to have a vegan girlfriend  
She's not vegan anymore  
Now that we're not dating she's my:  
Ex-Vegan-Ex (Ex-Vegan-Ex)

I used to have a straightedge girlfriend  
She's not straightedge anymore  
Now that we're not dating she's my:  
Ex-Straightedge-Ex (Ex-straightedge-ex)

I always felt really bad for the non-straightedge kids.  
Not just because they were destroying their brains with  
drugs and alcohol, but because they never got to take  
part in any of the good sing-a-longs. This is for them.

I used to have a vegan girlfriend

She's not vegan anymore  
Now that we're not dating she's my:  
Ex-Vegan-Ex (Ex-Vegan-Ex)

I used to have a straightedge girlfriend  
She's not straightedge anymore  
Now that we're not dating she's my:  
Ex-Straightedge-Ex (Ex-straightedge-ex)
