"You are now about to witness the strength of  
positivity"

All those years  
You turned your back and now you're out of here  
Still doesn't mean that you were insincere  
And in my heart I hope that some things still hold true  
for you

If I ever chose to follow you, I did so for myself  
No apologies, you don't need to make excuses for  
yourself

Turned away  
Forget the things you said in younger days  
And now you tell me it was just a phase  
But in my heart I hope that some things still hold true  
for you

If I ever chose to follow you, I did so for myself  
No apologies, you don't need to make excuses for  
yourself

Or anyone else!

Does the flame still burn? (FORGET YOUR!)  
Are you true till death? (PLATITUDE)  
Can you say for certain you won't end up like the rest?  
Times and people change (FORGET YOUR!)  
Bonds of friendships break (PLATITUDE!)  
But still nothing can take away the changes that we  
make (OR THAT WE MADE!)
