You are my god
You are my fortress
My loving god
My refuge and shield
You are my god
You are my stronghold
Delivering me from the father of lies

Part your heavens and come down
Touch the mountains so they burn with fire
Send forth lightning from on high
Scatter all who would oppose your light

All praise to you my rock
Who trains my hands for war
All praise to you my rock
Who trains my hands for war

You are my god
You are my fortress
My loving god
My refuge and shield
You are my god
You are my stronghold
Delivering me from the father of lies

Part your heavens and come down
Touch the mountains so they burn with fire
Send forth lightning from on high
Scatter all who would oppose your light

All praise to you my rock
Who trains my hands for war
All praise to you my rock
Who trains my hands for war
All praise to you my rock
Who trains my hands for war
All praise to you MY rock

Who trains my hands for war
Yeah!

Part your heavens and come down
Touch the mountains so they burn with fire (Strings
starts)
Send forth lightning from on high
Scatter all who would oppose your light

All praise to you my rock
Who trains my hands for war
All praise to you my rock
Who trains my hands for war
All praise to you my rock
Who trains my hands for war
